The remainder of the space will be absorbed by the Harbour Master's Office, which will be removed from its present position to one appropriated for it in the North Eastern angle of the intended building, in accordance with the proposal submitted by the Committee to Government for permission to use the site which that office at present partially occupies. The difficulties that attended the Inauguration Dinner of the Volunteers, the abandonment last winter of a Masonic Ball for want of a room to hold it in and the disadvantages to which the professional Artists at present here are expesed, are a few instances amongst very many of the inconveniences occasioned by the want of a City Hall, a want, the Committee believe, which is not shared by any other foreign Community of equal importance East of the Cape, a want which | U white spots, whoever bringing the same to has been recently supplied at Singapore and which | the Office of this paper will be rewarded. they trust will not be allowed much longer to serve as an indication of an absence of public spirit in
